

SECURING THE BEST INTEREST OF THE CHILD IN EDUCATIONAL SCHOOL ADMINISTRATION

A RIGHT'S BASED APPROACH FOR SCHOOLS

Co-funded by the Erasmus+ Programme of the European Union 

School development plan-piloting the SEBI model

Is your school interested in applying a school development plan on the Best interest of the Child? Contact us and let us know. The partners of the SeBI project will help you design, implement and evaluate a school development plan on the rights of the child. An action research project will be designed. This will utilize the SEBI outputs which will be tailored to your own school.

Please contact your national partner for further information.

SeBI Partners

SeBI is carried out by 9 partners coming from Cyprus, Greece, Italy, Portugal, Spain and Sweden.

What is SeBI

SEBI is an acronym of the EU funded project titled "Securing the Best Interest of the Child in Educational School Administration" (Erasmus+, KA3). Nine partners from six European countries (Cyprus, Spain, Greece, Italy, Portugal, Sweden) have joined forces to identify the key challenges that educational systems face towards the promotion the 'Best Interests of the Child' (BIC) and have developed a set of interactive tools and resources that can help educators and other professionals apply practices that will help to secure the best interest of the child.

How can SEBI support schools, teachers and head teachers?

- 1) Register and follow our online, courses on your own time and pace.
- 2) Participate in our two day face to face seminars. Check our website for the dates of the seminars in Cyprus, Greece, Portugal, Italy, Spain and Sweden.
- 3) Contact our team to help you design and implement a rights based project, utilizing SEBI output in your own school.

SEBI interactive platform

Register and train from the comfort of your home on your own time and pace.

Modules for teachers:

- A rights based approach in Schools (content and practices) - The Best Interest Principle
- Children's participation in the process for securing BIC/ Processes and practices
- Establishing processes to secure BIC within classroom
- The BIC principle in school for children with delinquent behavior
- Building and promoting a positive school climate for children in disadvantaged home and neighborhood as protective factor

Modules for headteachers:

- Identifying and determining BIC in school: Effective observation practices & Evaluation protocol for assessing BIC practices in school
- Establishing collaboration practises between teachers, headteachers and other supportive experts (i.e psychologists) to secure BIC in school.
- Collaboration with parents for securing BIC.
- Establishing processes to secure BIC beyond school. Collaboration with various stakeholders (effective collaboration & coordination practices)

Register here: <https://sebi-erasmus.eu/>

Face to face seminars

Face to face workshops will be organized in Cyprus, Spain, Greece, Italy, Portugal and Sweden. These two day training events will help teachers and head teachers and other interested professionals to promote and sustain the Best interest of the Child.

Check our webpage and contact your national partner for further details about the time and the venue.
